D.O. No 6(3)2022-PD.III

Dated: 6th September, 2022

Dear Chief Secretary,

मुख्य सचिव, बिहार

As you are aware, this Department is providing subsidized foodgrains to around 80 crore beneficiaries across the country through a vast network of 5.3 lakh Fair Price Shops (FPSs). These FPSs form a critical backbone of the PDS as they are the focal point of subsidized foodgrains delivery to NFSA beneficiaries. Many technological interventions have been made in recent times to prevent leakages and increase efficiency in PDS operations. Simultaneously, it has also been our endeavour to improve the profitability of these FPSs to ensure that these shops remain viable and vibrant, offering multitude of services and enhanced beneficiary experience.

2. As a part of the celebrations of 'Azadi Ka Amrit Mahotsav', this Department is undertaking an initiative to visit around 5000 FPSs across the country by senior officers of the State and Union Government. Through this initiative, we hope to significantly enhance the visibility of FPSs, sensitize the senior officials to the ground level realities of PDS operations, as well as gain a holistic understanding of ONORC, PM-GKAY, among others. The exercise is expected to be completed in all States/UTs by 31st March, 2023.

3. To coordinate this whole exercise with this Department, you are kindly requested to nominate a State Nodal Officer (not below the rank of Director) immediately. In addition, I request you to direct -

- District Magistrate (DM) of all districts in your State/UT to visit a minimum of 5-6 FPSs;
- Principal Secretary/Secretary of concerned State Department to visit at least 2-3 FPSs personally by 31st March, 2023 as per the approved guidelines (copy enclosed as Annexure-I); and
- Prahari Senior Officers (In-charge) may also be advised to visit FPSs in their Districts.

Also, I would like to take this opportunity to urge upon you to spare some valuable time from your schedule and visit 1-2 FPSs personally, which will immensely boost the morale of the officials/FPS owners as well as provide confidence to beneficiaries.

GUIDELINES FOR VISIT TO FAIR PRICE SHOPS

SEPTEMBER, 2022

**Department of Food and Public Distribution
Ministry of Consumer Affairs, Food and Public Distribution
Government of India**

413
61

1. Background

1.1 The National Food Security Act (NFSA) legally entitles up to 75% of the rural population and 50% of the urban population to receive subsidized food grains under the Targeted Public Distribution System. About two thirds of the population therefore is covered under the Act to receive highly subsidized food grains. The Act is being implemented in all the States/UTs and covers around 80 crore beneficiaries.

1.2 Under the NFSA, Fair Price Shops (FPS) are licensed to distribute essential commodities to ration card holders. FPSs form a critical backbone of the PDS as they are the focal point of subsidized food grain delivery to NFSA beneficiaries. State & UT Governments issue licenses to FPS keeping in view their viability. Preference is accorded to public institutions such as panchayats, SHG, cooperative societies and management of FPS by women or their collectives. A total of 5,36,038 FPSs are currently operational across the country.

1.3 Department of Food & Public Distribution (DFPD) in association with States/UTs have automated FPS by installing e-PoS devices thereby bringing transparency and efficiency in the allocation and distribution of foodgrains. Simultaneously, it has been the endeavor of DFPD to improve the profitability of these FPSs to ensure that they remain viable, offering multitude of services and enhanced beneficiary experience.

1.4 As a part of the celebrations of 'Azadi ka Amrit Mahotsav', DFPD is undertaking an initiative to visit around 5000 FPSs and create an online reporting mechanism. The visit will be undertaken by senior officers of the State and Union government by 31st March, 2023. This initiative is undertaken with a holistic vision to incorporate all the aspects of Public Distribution System, including the implementation of ONORC & PMGKAY, transformation of FPS, FPS operations, beneficiary satisfaction/experience, among others.

2. Objectives

2.1 The initiative to visit 5000 FPSs intends to serve the following objectives:

- 150/102
- i. To significantly improve the visibility of FPS at the field level
 - ii. To sensitize the senior officials to the ground realities of PDS operations
 - iii. Act as a feedback mechanism to understand the functioning of FPS
 - iv. Assess the progress of initiatives undertaken by the states/UTs for FPS transformation
 - v. Understand the issues and challenges faced by FPS dealers and beneficiaries
 - vi. Identify and document best practices in FPS operations that can be replicated in other geographies by other states/UTs.

3. Timelines

The exercise will follow the timeline given in the table below:

S.No.	Activity	Timeline
1.	Visit to FPSs by designated officers	3 rd October 2022 to 31 st March 2023
2.	Data sorting, cleaning and consolidation	1 st April 2023 to 30 th April 2023
3.	Data analysis and visualization	1 st May 2023 to 31 st May 2023

4.2 DFPD has created a checklist for this purpose which is indicative in nature. Since this exercise will be undertaken by senior officials of State and Union government, it is suggested to approach it with a holistic view of the PDS across various thematic areas including storage, supply chain, ONORC, PMGKAY, challenges faced by FPS dealers, suggestions on improving FPS functioning, among others.

4.3 The visit to FPSs is to be conducted by senior officials of the State and Union Government as follows:

4.3.1 District Magistrates (DM) should visit personally a minimum of 5-6 FPSs in the district under their charge.

4.3.2 Principal Secretaries and two other senior officers of all States/UTs (except UTs of Chandigarh and Pondicherry) should personally visit 2-3 FPSs in their respective state/UT.

4.3.3 Senior officials (Under Secretary & above) of DFPD, Gol, should visit FPSs in the assigned State/UT in coordination with the State/UT Government.

4.4 The plan for field visit is summarized as follows:

S.No.	Officer	No	No. of FPS per person	Total
1.	District Magistrates	~750	5-6	~4000
2.	Secretary/ Principal Secretary and above	100	2-3	~300

4.8 During the visit to FPS, visiting officers are expected to access and duly fill the checklist against all the indicators, based on their observations and interaction with the FPS dealer and beneficiaries.

- 4.9 Each visiting officer must capture and upload a minimum of 2-3 photographs of the observed amenities/facilities or any notable activities at the FPS.
- 4.10 Visiting officers may also upload a short video of the observed amenities/facilities or any notable activities at the FPS, if necessary.
- 4.11 Upon completion of the checklist, the visiting officer must successfully submit the checklist form on the IMPDS portal by clicking on the submit icon.
- 4.12 Visiting officers are also advised to carry a physical print of the checklist and fill it offline/manually in case digital version of the checklist is not accessible due to internet connectivity issues or server issues on the portal.
- 4.13 As in the case mentioned above, visiting officers are advised to save the clicked photographs/scanned documents in their mobile phones, which they may later upload in the form on the IMPDS portal.
- 4.14 Data collected through the checklist for model FPS will be analysed and a dashboard will be created for the same.
- 4.15 Visiting officers are advised to visit diverse variety of FPSs in both urban and rural areas. They may visit FPSs licensed to public institutions such as panchayats, SHGs, cooperative societies and management of FPS by women or their collectives.
- 4.16 Additionally, visiting officers are also advised to visit the FPS during the time-period of food grain distribution in that calendar month.
- 4.17 States/UTs are requested to ensure that NO overlap occurs in the visit to FPSs such as different officers visiting the same FPS, same FPS being visited twice or only visiting FPSs in one block, etc.
- 4.18 Visiting officers are advised not to visit all the allotted FPSs in a single visit. They may spread-out the visits over a time span of 3-4 months or more, as and when suitable to them within the timeline specified in the guidelines.
